

INTERNATIONAL PARTNERSHIP PRESENTATION

Reliable Plant Nutrition Solutions
Growing Agriculture Beyond Borders

WHO WE ARE

Building Long-Term Partnerships Through
Innovation, Trust and Performance

Kristal AG is a Turkish manufacturer of premium plant nutrition solutions dedicated to helping agriculture become more **productive, sustainable and profitable.**

We combine scientific knowledge, modern manufacturing and practical **agricultural experience** to develop products that create measurable value for **distributors, retailers and growers.**

Our ambition extends beyond supplying fertilizers.

We build partnerships that grow stronger with every season.

A MESSAGE FROM OUR MANAGEMENT

Dear Business Partner,

Thank you for considering **Kristal AG**. We believe that successful agriculture depends on more than **quality products**. It requires trust, consistency, technical knowledge and reliable partners who share the same long-term vision. Everything we produce reflects this philosophy.

Our commitment is simple: To provide innovative plant nutrition solutions while creating lasting business relationships built on **transparency, integrity and mutual success**.

We are not looking for customers. We are looking for partners who want to grow with us.

Welcome to Kristal AG.

WHY KRISTAL AG

More Than A Manufacturer

At **Kristal AG** we believe the best partnerships are built on shared success. Our commitment is to create value beyond the product itself.

What You Gain

Reliable Manufacturing

Consistent Product Quality

Flexible Production

Export Experience

Technical Expertise

Complete Plant Nutrition Portfolio

**Organic
Fertilizers**

**Organomineral
Fertilizers**

Liquid Fertilizers

**Water Soluble
Fertilizers**

**Amino Acid
Solutions**

**Humic & Fulvic
Technologies**

**Seaweed Based
Biostimulants**

**Calcium
Solutions**

Micronutrients

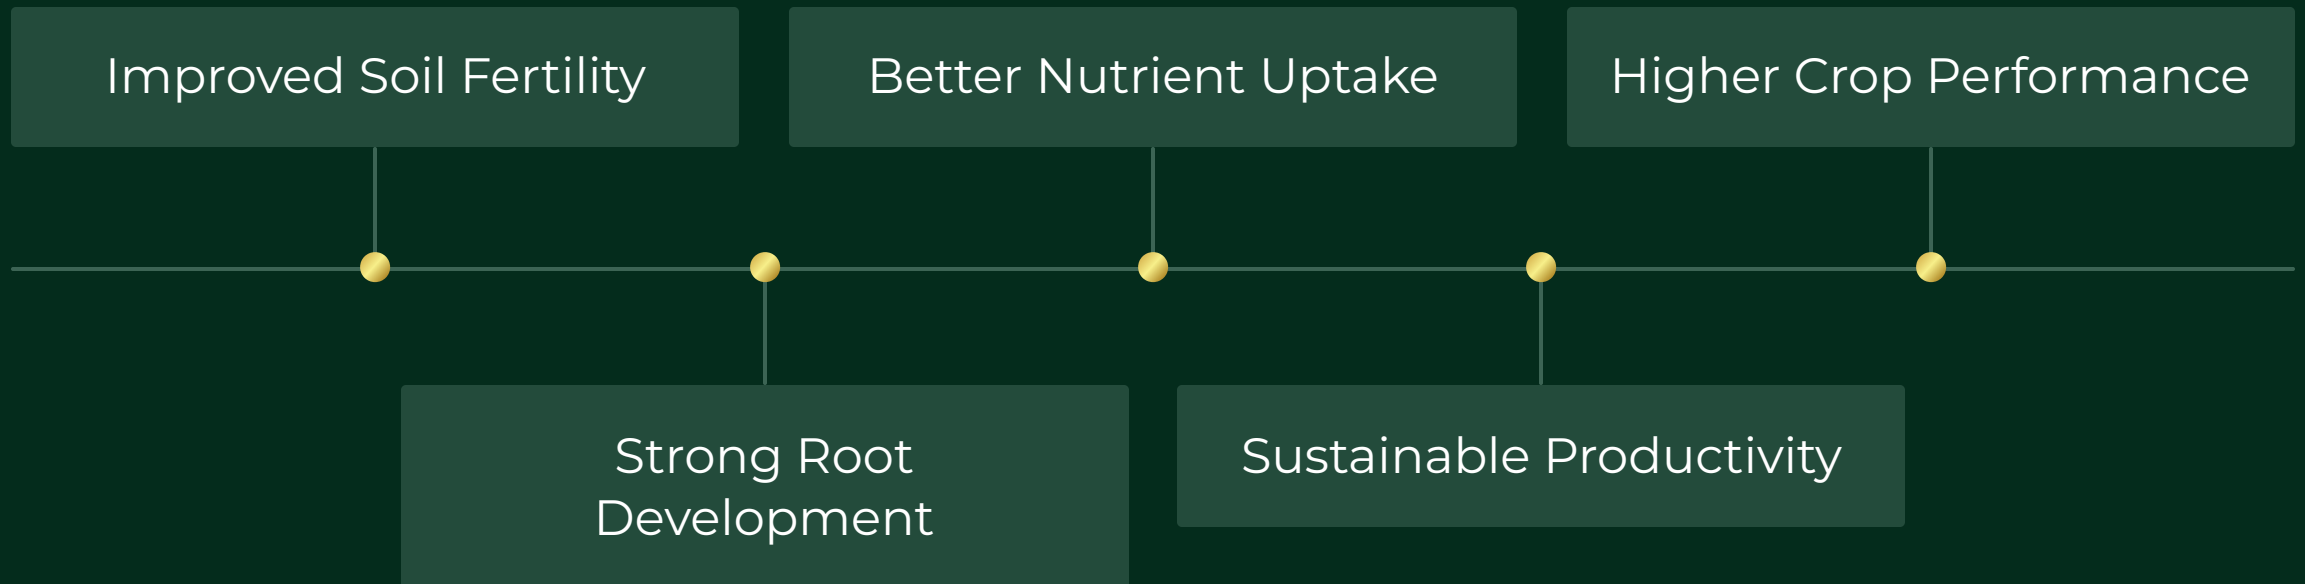

**Specialty Crop
Nutrition**

ORGANIC SOLUTIONS

Healthy Soil. Stronger Plants.

Healthy crops begin with **healthy soil**. Our organic solutions improve soil biology, increase nutrient availability and **support sustainable agricultural production**.

Benefits

ORGANOMINERAL SOLUTIONS

The Perfect Balance

Combining organic matter with mineral nutrition to **maximize efficiency.**

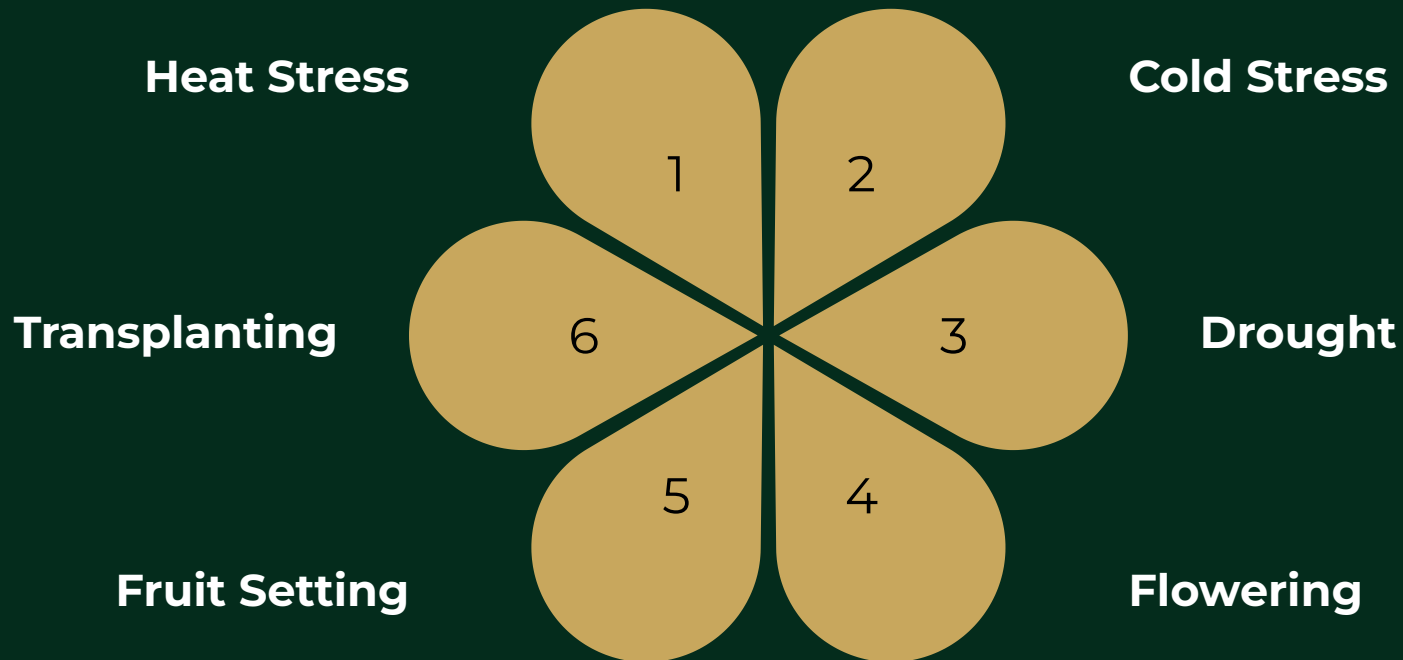

AMINO ACID TECHNOLOGY

Helping Plants Perform Better

Environmental stress reduces productivity. Our amino acid formulations help plants **recover faster and maintain healthy development.**

Ideal During

HUMIC & FULVIC TECHNOLOGY

Unlocking Soil Potential

1

Healthy Soil

2

Healthy Roots

3

Healthy Harvest

Better Water Retention

Improved Soil Structure

Enhanced Nutrient Uptake

Increased Fertilizer Efficiency

WATER SOLUBLE FERTILIZERS

Precision Nutrition For Modern Agriculture

Designed for maximum solubility, rapid absorption and efficient fertigation.

High Purity

Excellent Solubility

Fast Plant Response

Balanced Formulations

Reliable Performance

SPECIALTY SOLUTIONS

Innovation That Creates Value

Every crop has unique nutritional requirements. **Our specialty solutions** are developed to **improve crop quality, increase productivity and maximize profitability.**

QUALITY

Quality Is Never An Accident

Quality is built into every stage of our production process.

- Reliable raw materials.
- Modern manufacturing.
- Consistent formulations.
- Continuous improvement.

Because quality builds trust.

WHY FARMERS CHOOSE OUR PRODUCTS

Growers expect results. Our products are designed to deliver measurable value through:

Higher Yield

Better Crop Quality

Improved Profitability

Reliable Performance

Sustainable Agriculture

Successful farmers create successful distributors.

WHY LIBYA

A Market Full Of Opportunity

Libya's agricultural sector offers significant opportunities for modern crop nutrition solutions.

We believe the market can be developed through:

- ***Reliable Products***
- ***Strong Local Distribution***
- ***Technical Support***
- ***Consistent Supply***

We believe sustainable success is achieved by working with one committed local partner who understands the market and shares our long-term vision.

EXCLUSIVE DISTRIBUTORSHIP

One Country. One Partner. One Shared Vision.

Our objective is simple. To establish a strong and long-lasting partnership that creates value for both companies.

We offer

Exclusive Opportunities

Competitive Commercial
Terms

Marketing Support

Technical Training

Dedicated Export Team

Continuous Product
Development

EXPORT SERVICES

Reliable International Trade

Professional Export
Documentation

Flexible Packaging

Container Optimization

Efficient Logistics

Fast Production

On-Time Delivery

MARKETING SUPPORT

We Help Our Partners Grow

Our support goes beyond manufacturing. We provide professional **marketing materials, technical documentation, digital content and product presentations** to help our distributors build stronger businesses.

TECHNICAL SUPPORT

Knowledge Creates Confidence

Our experienced technical team supports partners with product recommendations, **crop nutrition programs** and **practical agronomic guidance**. Because informed distributors create loyal customers.

OUR PROMISE

Every partnership begins with trust. We promise:

Reliable Quality

Honest Communication

Fast Response

Continuous Improvement

Long-Term Commitment

LET'S GROW TOGETHER

The **strongest partnerships** are built on shared values, mutual respect and a common vision. If you are looking for a reliable manufacturing partner committed to **long-term success**, we would be proud to **build the future together**.

Your Success Is Our Success.
